

REMARKS

Claims 1, 2, 4-7, and 9-11 are pending in the application.

The specification was objected to because of an embedded hyperlink on page 5, line 16. The specification has been amended at page 5 to delete the hyperlink. Withdrawal of the specification objection is respectfully requested.

Claims 7-11 were objected to because "the transmitter" in claim 7, line 1 should be replaced by "a transmitter." Claim 7 has been amended in the manner recommended by the Examiner. Withdrawal of the claim objection is respectfully requested.

Claims 1, 2, 4, 6, 7, and 9-11 have been amended to correct minor informalities such as grammar and claim dependencies.

Independent claim 1 has been amended to incorporate the allowable subject matter of claim 3, which is canceled without prejudice. Therefore, independent claim 1 and dependent claims 2 and 4-6 should be in condition for allowance.

Independent claim 7 has been amended to incorporate the allowable subject matter of claim 8, which is canceled without prejudice. Therefore, independent claim 7 and dependent claims 9-11 should be in condition for allowance.

It is believed that the claims are in condition for immediate allowance, which action is earnestly solicited.

Respectfully submitted,

/Steven M. Jensen/
